Press statement

Candidates of Mpasana Primary School, Kakumiro District who missed writing their PLE Mathematics Paper

The Uganda National Examinations Board (UNEB) has received information from our field officers that 23 out of 26 candidates of Mpasana Primary School in Kakumiro missed writing the Mathematics paper on November 8, 2022, the first day of the Primary Leaving Examination (PLE).

UNEB is consulting with the District Education Officials to ascertain the circumstances under which the learners missed the examination. The Board is also scheduling a meeting with the District Officials on this matter, after which, an appropriate decision will be made.
